Classic SERIES

TIMELESS + DURABLE

Built like a battleship and marked by classic Hammertone green, the legendary Stanley Classic Series is the choice of generations from the outdoors to the job sites.

STANLEY HAS SURVIVED:

- SPEEDING BULLETS
- CATEGORY 5 HURRICANES
- -70 DEGREE WINDCHILL
- 4000FT DROPS

The original workman's friend, this is our most storied collection. It's here that we earned our legendary status.

CLASSIC SERIES FEATURES + COLOR SYSTEM

This series features 18/8 stainless steel double-wall vacuum insulation, naturally BPA-free, with a wide range of dishwasher safe, leakproof, and car-cup compatible products.

CAMP COFFEE DONE RIGHT

THE LEGENDARY CAMP MUG

1 SIP ON THIS.

Face it – there are days where your morning coffee is as precious as liquid gold. The last thing you want to do is sacrifice even a drop of your sanity to a spill. With the press-fit Tritan™ lid made for easy-sipping, we've got you covered. Literally.

2 GET A GRIP.

We really love this mug, so as much as we'd like to say "handle with care," you really don't have to. So go ahead. Grip it, sip it, and cheers to your heart's content. The steel handle is built to withstand it all.

3 BRING THE HEAT. KEEP YOUR COOL.

Stanley's legendary vacuum insulation will keep you and your drink hot. Or cold, if you prefer to warm up with a cocktail. We're not judging.

THE PERFECT-BREW POUR OVER

1 BREW FOR A CREW.

They say sharing is caring – but if we're being honest, it really only feels that way when sharing means you don't have to tap into your personal stash. With the ability to brew up to 20oz, you'll never need to go halfsies again.

2 HASHTAG NO FILTERS.

The unique easy-clean filter means that you won't need to use disposable filters. Just think about how much more you'll enjoy your coffee knowing that it's good for the planet.

3 BUILT FOR THE LONG HAUL.

The Perfect-Brew Pour Over is made from 18/89 stainless steel, so it won't rust no matter how often you use it. And since that's the good stuff, it's naturally BPA free. Just further proof that we care about you. Aww.

PERFECT-BREW 101

THE INS-AND-OUTS OF THE PERFECT-BREW POUR OVER.

HOW TO

BREW A DAMN FINE CUP WITH THE PERFECT-BREW POUR OVER.

1 HEAT WATER

Bring at least 20 oz (600 grams) of water to a boil.

2 ADD GRINDS

Add 3 tbsp (30 grams) of medium ground coffee. 4 tbsp if you like mud. 5 tbsp if you're shameless.

3 BLOOM

In a circular motion, saturate the grounds with a half cup (60 grams) of hot water and watch them rise. Just like magic.

4 POUR

Starting in the center and moving outward, pour in the remaining hot water in that circular motion. It's all in the wrist. Allow the water to drain through the grinds, stirring as needed.

5 ENJOY

After 2-3 minutes, AKA less time than it takes to read these instructions, remove the pour over from the mug and enjoy.

Master SERIES

ULTIMATE + UNRIVALED

For the pro's pro, the toughest of the tough and those who demand the very best, our Master Series offers unrivaled durability and thermal retention. A century of know-how meets state-of-the-art in every detail.

QUADVAC™ TECHNOLOGY

Adds a double layer barrier to double wall vacuum insulation. The four layers add protection from convective, conductive and radiant energy transfer. QuadVac insulation locks in heat or cold better than any other technology out there.™

MASTER SERIES FEATURES + COLOR SYSTEM

All Master Series products are 1.0 mm 18/8 stainless steel, BPA-free, and dishwasher safe. The series includes a wide range of leakproof, packable, and car-cup compatible products.

Go SERIES

BOLD + FUNCTIONAL

This truly multi-use, hot/cold collection travels from camping box to kitchen, combining the smooth-fired feel of ceramic with Stanley's legendary durability and stay hot (or cold) all day insulation.

CERAMIVAC™ TECHNOLOGY

A durable ceramic finish on vacuum insulated stainless steel. This new finish provides an optimal balance of durability, cleanability, stain resistance, and none of the metallic taste or smell. Plus, it's BPA, PFOA, and PFTE-free.

GO SERIES WITH CERAMIVAC™ FEATURES + COLOR SYSTEM

Ceramivac™ finished 18/8 stainless steel double-wall vacuum insulation, naturally BPA-free, and all dishwasher safe with non-skid footpads. This series also includes a wide range of leakproof and car-cup compatible products.
